WILMINGTON, N. C., Aug. 19 1875. Messrs Engelhard & Saunders:-GENTLEMEN .- My attention having been called to a handbill circulated on the streets this morning by Messrs principles of his associates. There Warrock, Willis & Pittman, committee of the Typographical Union of this place containing an affidavit signed by Messrs O. F. Bailey, R. L. Bean and W. H. Colbert, I deem it proper to make a statement to you of what I know about the matter. The affidavit reads as follows :

WILMINGTON, Aug. 18th, 1875. We the undersigned, (non-Union) orinters, lately in the employ of Engelhard & Saunders, of the DAILY JOURNAL, feel that a statement as to the cause of our ceasing work on that | consequences that might follow from paper is due the Union printers of the ity, we therefore lay the following before the public as the facts of the

First, we quit work on our own accord, without any intimidation, or promise from, and without the knowledge of any Union printer, until we had done so.

Second, the cause that induced us to cease work was the refusal on the part of the proper person (Foreman) connected with the office to pay one of

Third, we were brought to this city make a statement myself. It would without understanding the cause of O. F. BAILEY. W. H. COLBERT.

R. L. BEAN, Personally appeared before me O F. Bailey, W. H. Colbert and R. L. Rean, who being duly sworn, sayeth each for himself, that the above state-T. M. GARDNER, J. P.

WILMINGTON, Aug. 18th, 1875. I have received two offers to leave your employment. The first came through the Postoffice and promised me fifty dollars and transportation,-The money it was stated would be left at a certain place on the wharf designated in the letter. The second offer was found upon one of the desks in the Journal office, and read as fol- I could not follow, being on horseback.

MR. PATR :- If you will leave the Engelhard. We met them at the corand transportation anywhere you want and brought them over to the office, dollars, for resusing to allow her to for virgin,

tal seniors) were seen trapping the There can be no doubt about note standard vector which was kept up my having received the offer as depot and this office. Maj Engelhard southwest to Atlanta, and proposed to go and see Mr. Kennedy at once about the mat-

So far as Messrs Bean and Colbert At first it was all fine fun they had taken a solemn oath to leave

> I have further to say that Messrs and every one of them particularly informed by me before leaving Atlanta, that the JOURNAL was engaged in a fight with the Typographical Union of In regard to my alleged refusal to

i make this statement. Mr. Spence who left here on Sanday was paid up to Friday night previous-the end of the pay week in the Journal office .-He continued to work however on Sattirday and Saturday night and sold

his claim for pay therefor to Mr. Colbert for \$2, and thereupon on Sunday evening Mr. Colbert demanded payment, which I refused, for the reason is arrived here safely atdars. It was that Mr Spence still owed for his transportation. I afterwards told him however that I would see you and get

> amount due Mr. Spence (about 84) if he would remain at his work There was no labor done by either one of the men who made the affidavit that was not paid for. Since I came here all the men under me have been

REVIEW

OF THE WILMINGTON MARKETS.

FOR THE WEEK ENDING THURSDAY.

August 19, 1875. ounty jail, stabbed himself in four COMMERCIAL EPITOME, -The places with the handle of a spoon,

prevailing dullness of general trade is not unusual at this season, and the mercantile classes are now busily engaged in putting their houses in order for the Fall season. While there is no reason to look for any unwonted activity in thedemand for general merchandise, and while prices are likely to continue low and profits small, signs of encouragement are not lacking .-The crops of the country were never better and a full yield of all the products of the soil is guaranteed. As regards our immediate market there is very little change to note from our previous review. Naval stores nd cotton are quiet in store and

steady in prices. The shipments for the week as compared with last week, were as follows : Cotton, 129 bales; spirits turpentine, 2,656 casks; rosin, 8,376 bbls; crude turpentine, 301 bbls; tar, 447 bblsagainst cotton, 18 bales; spirits turpentine, 5,553 casks; rosin, 4,196 bbls; crude turpentine, 200 bbls; tar, 263 bbls, for last week.

Ocean freights continue quiet. There

was no increase of tonnage during the week. Rates of charter and freight unchanged. The chief features of market, and the changes of prices of most of the leading products and manufactures for

the week, were as follows : CRUDE TURPENTINE. - There has been a slight improvement in the article during the week. An advance of 5 cents has been established on yelmen contractors for Earnum, to recover | low dip. There were no other changes noney illegally paid said contractors. in the market, and at the close to-day A colored woman sues the Pallman there is a good demand at \$1,25 for Journal to-might we will pay you \$100 her of Front and Princess streets Palace Car Company for ten thousand hard; \$2,05 for yellow dip, and \$3,00 The receipts for the week were

AMERICAN CYCLOPÆDIA New Revised Edition. intirely rewritten by the ablest writers or

every subject. Printed from new type, and illustrated with Several Thousand Engravings and Maps. THE work originally published under the ti-tle of THE NEW AMERICAN CYCLOP.E.

DIA was completed in 1864, since which time the wide circulation which it has attained in all parts of the United States, and the signal developments which have taken place in every branch of science, literature, and art, have in-duced the editors and publishers to submit it to an exact and thorough revision, and to issue a new edition entitle THE AMERICAN CY-GLOPEDIA.

pace with the discoveries of science, and then fruitful application to the industrial and use social life. Great wars and consequent revolu colume of the old work appeared, has happily been ended, and a new course of commerciand industrial activity has been commenced. Large accessions to our geographical knowledge have been made by the indefatigable explorers of Africa.

The great political revolutions of the last decade, with the natural result of the lapse of time, have brought into public view a multi
